# BESANT EVENING COLLEGE

## A Brief History

Besant Evening College is sponsored and managed by the Women's National Education society. Founded in the year 1976 by the great visionary the Late Manel Srinivas Nayak it proudly carries the illustrious name of the world renowned champion of women's rights Dr. Annie Besant, the revered founder of the first Besant Institution in Mangalore. Today, it has become a well – known centre of higher studies and one of the two prominent evening degree colleges catering to the educational needs of a section of the society, the young men and women who hanker after education without sufficient means to pursue it – those who must necessarily earn even they learn. Providing good quality education to those who had been denied this privilege in the normal course has been the cardinal principle of the college, since its inception.

Started with a student strength of 80, now it has on its rolls 400 students on an average, every year. Although the majority of the students are those who have to work during the day, the recent years have witnessed a new and welcome trend. The college attracts a large number of students who pursue professional courses such as C.A., ICWAI, Engineering and Computer diploma and certificate courses during the advantage of the support and guidance of outstanding teachers, well experienced, highly qualified and dedicated. The college has an enviable reputation in curricular and co-curricular activities.

It is a matter of gratification and pride to the management and the staff of the college that the alumni of the institution have earned name and fame, carving a niche of themselves in diverse professions and position as lawyers, chartered accountants, businessmen etc., and that even the most successful among them have remained loyal to their Alma Mater offering unstinted and staunch support through a very active and strong Alumni Association. The college also receives whole – hearted cooperation from its other, significant stakeholder, the Parents – Teachers Association.

Dear students you are now entrusted with a sacred responsibility to carry forward the rich legacy of this institution.
